Percent satisfied with social and physical environment	100.0%	82.1%	89.2%
Percent satisfied with school-home relations	95.0%	84.6%	78.4%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 school year at Hickory Grove /Sharon Elementary was a year full of new ideas implemented, academic growth, and individual successes. Student achievement continued to be a priority as our school has become a school where data greatly influences instructional decisions. Our students were continually challenged to display good character and good work ethics. Some things that have been highlights this school year included an ice cream social by our PTO that welcomed everyone to "Meet the Teacher" night in August. Literacy continued to be a strong focus this year as we sponsored our Fall for Reading Carnival in the fall. We also had Read Across America Book Parade this past year with each class creating a float based on their favorite book. We continued our character education-led Jam in the Gym monthly assemblies. As a district we received a visit from the SACS committee and passed with flying colors. We also focused the new mission, vision, and beliefs statements for our school and district that were formulated by several committees made up of school employees, community members, and students. However our district goals remain in the forefront of our students academic endeavors. Hickory Grove/Sharon Elementary met AYP (Adequate Yearly Progress) this year also, an accomplishment we are extremely proud of. During the summer, teacher and staff volunteers again manned a summer library program here and plan to do it again. We also implemented Countdown to Kindergarten last year with our preschool teacher working in the summer with a selection of rising kindergartners to better prepare them for kindergarten. We are very proud of some individual recognitions also. Our fourth grade MERIT classroom had three students who placed second in the State Stock market competition and earned a trip to Columbia. A separate group placed fourth in the state, but only the top three in the state were recognized. Also our fourth grade math team took first place in the Mu Alpha Theta district math competition. In that competition, HG/S had two first place winners and one who placed 6th in the competition. We are very proud and very pleased with the 2011-2012 school year at Hickory Grove/Sharon Elementary School!

H. Dietrich Long, Principal
Lacie Patterson, School Improvement Council
Chairperson
